I hereby authorize the designated Township officials to enter on the property and to investigate, inspect, and examine the Property set forth herein, including land and structures, to determine compliance with the Construction Code and to determine the accuracy of the statements contained herein.

I am aware that I cannot commence excavation or construction until the Township has issued a Construction Code Permit. By signing this Application, I certify that all facts in the Applicant and all accompanying documentation are true and correct. This Application is being made by me to induce official action on the part of the Township, and I understand that any false statements made herein are being made subject to the penalties of 18 Pa. C.S. §4904 relating to unsworn falsification to authorities.

I expressly acknowledge that the issuance of a Construction Code Permit is based upon the facts stated and representations made in this Application. I expressly acknowledge that the Township may revoke a Construction Code Permit if the use and/or structure for which it has been issued violates any applicable Township, County, State or Federal law or regulation. I acknowledge that the holder of a Construction Code Permit is responsible to insure compliance with all applicable Township Ordinances during and at completion of the work authorized by the Construction Code Permit. I acknowledge that the Township requires a final inspection be performed by the construction code official and that the Township issue a certificate of occupancy before the structure which is authorized by this Construction Code permit may be occupied. It is my responsibility to insure that this inspection is scheduled and the certificate of occupancy obtained before the structure may be occupied. I acknowledge that if I occupy or permit the occupancy of this structure prior to the issuance of a certificate of occupancy under the Construction Code, I will have committed a violation of the Construction Code and will be subject to the penalties and remedies in the Construction Code Ordinance. I also acknowledge that, if the structure is occupied prior to the final inspection, work may have to be removed and re-executed in order that it may be adequately inspected. If the Township is required to perform an inspection after the structure is occupied, intending to be legally bound hereby, I agree to pay the fee established by the Township for delinquent inspections.

Nothing contained in this Application shall be construed to relieve or limit the obligations of the Applicant to comply with all provisions of the Zoning Ordinance or to waive violations of the Zoning Ordinance or any other Township ordinances or to stop the Township from enforcing Township ordinances, including but not limited to the Zoning Ordinance. I expressly acknowledge that permits and certificates of use and occupancy may be required under the Zoning Ordinance and it is my obligation to obtain all permits and approvals the Zoning Ordinance requires before the structure which is authorized by the Construction Code Permit may be authorized.
