RE: Bob Brubaker Time Extension

Dear Supervisors:

From the date of May 18th 2025 we are granting a 90-day time extension to August 16th, 2025 for the Board to act on the plans for Bob Brubaker. The NPDES permit has been obtained and we are working on finalizing the Township concerns. This additional time will allow us to resolve the Township Concerns and execute the plans & agreements.

In the event there are any questions regarding the above please feel free to contact the undersigned.

Sincerely yours,
