Minutes of a Meeting of The Mount Joy Township Zoning Hearing Board Wednesday, September 3, 2025

- 1) Chairman Gregory R. Hitz Sr. called the meeting to order at 6:00 P.M. in the Mount Joy Township Municipal Building located at 8853 Elizabethtown Road, Elizabethtown, PA 17022.
- 2) Meeting Attendance:
 - Members Present: Gregory R. Hitz Sr., Robert F. Newton Jr., & Roni K. Clark
 - Members Absent: James E. Hershey
 - Township Representatives: Justin Evans, Assistant Zoning Officer
 - Lancaster County Court Reporter: Angela Kilby
 - Zoning Hearing Board Solicitor: John P. Henry, Esq. of Blakinger Thomas
- 3) A motion was made by Robert F. Newton Jr. and seconded by Roni K. Clark to approve the minutes of the August 6, 2025 meeting. All members present voted in favor of the motion.
- 4) Mr. Evans confirmed that the public notice was published in the Thursday, August 14th and Thursday, August 21st editions of the LNP. The property was posted on Friday, August 22nd.
- 5) Solicitor John P. Henry provided a procedural briefing for the meeting.
- 6) Zoning Case #250013
 - a. Applicant/Landowner: RVTS Enterprises, LLC
 - b. Property Location: 1054 Dairy Lane, Elizabethtown, PA 17022; Tax Parcel ID #460-68253-0-0000
 - c. Zoning District: (C-1) Limited Commercial District
 - d. Special Exception Request:
 - (1) Chapter 135, Article I, §135-7 – uses not specifically provided for

The application was presented by Attorney Beau Hoffman, Scott Shambach, PLS, and landowner representative Keith Hill. The following exhibits were presented at the hearing:

- Ex. A-1: application
- Ex. A-2: site plan
- Ex. A-3: narrative
- Ex. A-4: letter from Zoning Officer

Attorney Hoffman noted that the Zoning Ordinance provides for ground-mounted solar arrays as a principal use covering greater than 1 acre. Solar arrays are also permitted as an accessory use; however, the proposal is to construct one as a principal use covering less than 1 acre. The applicant acknowledged receipt of the Zoning Officer's letter dated August 8, 2025 and had no objections to the proposed conditions.

The array would be located approximately 250' from Route 283. The applicant addressed concerns about glare for motorists, noting that current solar panel technology produces little to no glare. A 6-foot high vinyl privacy fence will surround the facility, and no lighting or signage will be present. The surface will have a weed barrier underlaying a clean 2B stone surface.

A cutoff will enable emergency responders to shut the system down in case of incident. Although not submitted with the application, a decommissioning plan was presented at the hearing to address the system's 25-year life span. Energy

will be sent to the PPL grid at Ridgeview Road. The switch gear should not create noise, and the system is three-phase at 320 kW.

Mr. Shambach clarified his earlier comment about distance from Route 283. After checking Google Earth, the array is more like 700' – 750' away.

A motion was made by Robert F. Newton Jr. and seconded by Roni K. Clark to grant approval of the application subject to the following conditions:

1. The Applicant shall apply for and obtain all appropriate permits from Mount Joy Township for the proposed improvements.
2. The Applicant shall obtain Land Development Plan approval from the Mount Joy Township Planning Commission, or a waiver thereof.
3. The Applicant shall gain approval of a Stormwater Management Site Plan or demonstrate to the Township Engineer's satisfaction that stormwater will infiltrate into the ground beneath the solar panels at a rate equal to that of the infiltration rate prior to placement of the panels.
4. The Applicant shall submit to the Township Zoning Officer a Decommission Plan with respect to the proposed use.
5. The Applicant shall comply with all other provisions contained in the Zoning Ordinance for which relief has not been requested or granted.
6. The Applicant and any representative of the Applicant shall comply with and adhere to the testimony and any evidence presented to the Board at the hearing held on September 3, 2025, except to the extent modified by conditions imposed by the Board herein.

All members present voted in favor of the motion.

7) Zoning Case #250014

- a. Applicant/Landowner: IES PA RE, LLC
- b. Property Location: 1650 Steel Way Drive, Mount Joy, PA 17552; Tax Parcel ID #461-15379-0-0000
- c. Zoning District: (LI) Light Industrial District
- d. Special Exception Request:
 - (1) Chapter 135, Article XVII, §135-163.C – expansion of an industrial use not specifically referenced by Section 135-162.E
- e. Variance Requests:
 - (2) Chapter 135 Article XVII, §135-166.A – residential buffer strip
 - (3) Chapter 135, Article XVII, §135-166.B – landscaping strip
 - (4) Chapter 135, Article XXIII, §135-299.B(1) – landscape strip
 - (5) Chapter 135, Article XXIII, §135-299.B(3) – tree planting in landscape strip

Rick Sine of Greiner Industries was joined by Brian Cooley of DC Gohn Associates to present the application. The following people requested party status:

- Joelle Myers, 2706 Mount Pleasant Road – lives near the site
- Michele Myers, 1128 Miller Road – adjoins the site
- Randy Stevens, 2541 Mount Pleasant Road – lives approximately ¼-mile from the site

The applicant did not object to the request of Joelle Myers and Michele Myers to become parties to the case. They did object to Randy Stevens' request due to the greater distance between his home and the site. A motion was made by Robert F. Newton Jr. and seconded by Roni K. Clark to grant party status to Joelle Myers, Michele Myers, and Randy Stevens. All members present voted in favor of the motion.

Mr. Cooley reviewed the application narrative that proposes construction of a gravel outdoor storage area for use by Greiner Industries. Typical materials to be stored there are products for customers, cranes, and similar equipment to

free up space on the main site and improve efficiency. The application package also included three prior Zoning Hearing Board decisions for the Greiner Industries site.

The proposed outdoor storage area will not create new employees or generate additional truck traffic to and from the facility. The gravel pad is situated in such a way that accommodates a future public road along the Township's right-of-way between Steel Way Drive and Mount Pleasant Road. Two rows of trees will be planted along the Strickler and Myers properties as a buffer. Although they will not be utilized by this project, the site is served by public sewer and on-lot water. Adjoining properties are zoned (LI) Light Industrial. No toxic or hazardous materials will be stored on site.

Mr. Cooley clarified the design with respect to the future public road crossing the Greiner Industries site. Traffic flow will not change as vehicles will continue to enter and exit from Steel Way Drive. The applicant worked with Township staff to plan the site around the future street and/or the subdivision of the Greiner Industries property along the right-of-way. He discussed the existing woodlands on the perimeter, noting the lack of lighting and signage since the gravel lot will be surrounded by a fence. There is no access from the storage area to Mount Pleasant Road.

The applicant requests a variance to install two rows of evergreens to ensure better year-round screening with the adjoining residential properties. The Zoning Ordinance specifies one row of evergreens and one row of deciduous trees. A variance from installing the landscape strip is specific to a small section along Miller Road across from the agricultural field and along Mount Pleasant Road across from the Hershey Excavating site. No trees are proposed in the strip adjacent to the Freedom Outfitters warehouse. Some areas of existing woodlands will be kept as shown on the site plan.

36,000 sf of landscape strip equates to a requirement of 48 trees per the Zoning Ordinance. 36 trees will be planted adjacent to the two residential properties. Norway Spruce is specified; however, ongoing conversations with Michele Myers may lead to alternative species. Mr. Hitz expressed concern with certain species and the maintenance of evergreens, especially regarding resistance to disease. Mr. Cooley requested to amend the application, changing Norway Spruce to another suitable species in its place.

Michele Myers confirmed the conversation with Mr. Sine and Mr. Cooley. Her desire is for the buffer along her property to be planted after the facility is in place so that it fits better with the surroundings.

Joelle Myers asked if the current Light Industrial zoning is not being changed. Mr. Cooley confirmed.

Randy Stevens made comments about the applicant's uncertainty in the use of the site before questioning the applicant.

- What is the existing impervious coverage? 17% building coverage; 60.4% impervious coverage. The project will result in 69% impervious coverage.
- Is stone considered impervious coverage? Yes, both in the existing and proposed conditions.
- Will there be hazardous materials? No. Only storage of finished products and equipment; no outdoor manufacturing.

Mr. Clark asked if there would be any grading or similar processes conducted outdoors on the storage lot. No. The applicant confirmed receipt of the Zoning Officer's letter dated August 8, 2025. They have no concerns about the proposed conditions.

Neither Joelle Myers nor Michele Myers provided testimony. Mr. Stevens did provide testimony. He was unhappy with the application stating, "see narrative". Mr. Cooley noted the narrative contains seven pages of detailed information. No objections were made by Joelle Myers or Michele Myers. Mr. Stevens was concerned with the vagueness of the application, with specific mention to health, safety, and welfare.

A motion was made by Robert F. Newton Jr. and seconded by Roni K. Clark to grant approval of the application subject to the following conditions:

1. With respect to all trees to be planted in connection with the Application, Applicant shall actively maintain said trees in good order and condition, and shall immediately replace any of said trees that die or lose the majority of their coverage.

2. Applicant shall obtain Land Development Plan approval from the Mount Joy Township Planning Commission, or a waiver thereof. If a waiver is granted by the Planning Commission, Applicant shall gain approval of a Stormwater Management Site Plan.
3. Applicant shall apply for and obtain the appropriate permits from Mount Joy Township for the proposed improvements.
4. Applicant shall comply with all other provisions contained in Chapter 135 of the Code of Ordinances of Mount Joy Township for which relief has not been requested or granted herein.
5. Applicant and any representatives of Applicant shall comply with and adhere to the testimony and any evidence presented to the Board at the Hearing held on September 3, 2025, except to the extent modified by conditions imposed by the Board herein.

All members present voted in favor of the motion.

8) Zoning Case #250015

- a. Applicant/Landowner: Crystal & Mark Underkoffler
- b. Property Location: 1270 Mount Gretna Road, Elizabethtown, PA 17022
- c. Zoning District: (OS) Open Space and Conservation District
- d. Variance Request:
 - (1) Chapter 135, Article IV, §135-32 – to increase enrollment of a home day care service to 10 individuals

Landowners Crystal & Mark Underkoffler were present with Attorney Sheila O'Rourke. Childcare consultant Barb Green was also present. The following exhibits were submitted at the hearing:

- Ex. A-1: LanCo View Parcel Map
- Ex. A-2: Certificate of Compliance from PA Department of Human Services
- Ex. A-3: Certificate of Occupancy from Mount Joy Township
- Ex. A-4: daily schedule of childcare activities
- Ex. A-5: interior and exterior photos of the premises
- Ex. A-6: reference letters from clients
- Ex. A-7: letters from nearby property owners and reference map
- Ex. A-8: Chapter 135-232 (home day-care service) standards from the Mount Joy Township Zoning Ordinance

Prior to testimony, Mr. Newton stated he knows the applicant but can hear the case without bias. Attorney O'Rourke introduced Ms. Underkoffler and her childcare business that began in 2011 with three children, which then grew to six children. Now she seeks an increase to ten children.

Referring to Exhibit A-1, she confirmed that the property is narrow but deep and has woodlands at the rear. It is zoned (OS) Open Space and Conservation and is improved with a 2,900-sf dwelling and a garage. The property is served by public sewer and well water. Her current certificate through the state permits up to six unrelated children. This certification includes a site inspection, other assessments, and confirmation that employees have valid clearances.

Current enrollment is six and Ms. Underkoffler is the sole employee. She has worked in childcare since 2011 and detailed a typical daily routine as laid out in Exhibit A-4. Operating hours are 6:30 am – 5:00 pm, Monday through Friday. Drop off and pickup takes just less than four minutes with minimal overlap between parents in the driveway. Mount Gretna Road has a speed limit of 35 mph and visibility from the driveway is good. It can accommodate five vehicles.

Photos found in Exhibit A-5 were reviewed to demonstrate the suitability of areas inside and outside the home for children. She also provided insight into the costs of materials, supplies, and training. Exhibit A-9 was submitted, detailing the financials of the business. Tuition is \$70/week and the business is running close to cost right now. Increasing enrollment to ten will help spread costs across more children. She currently has a waiting list of 25. No additional staff are needed and there should not be a change to operations or increased impacts to neighbors. The increase will change the business status from home day care to group day care per PA DHS standards. There will be no change in the outward appearance of the home.

Multiple parents provided reference letters for Ms. Underkoffler's day care, which were provided in Exhibit A-6 and read aloud. Letters from nearby neighbors were compiled in Exhibit A-7 with no negative feedback therein.

The applicant confirmed receipt of the Zoning Officer's letter dated August 8, 2025 and agreed with the proposed conditions. Mr. Hitz then asked several questions of the applicant. The back yard has a fence on the left-hand side, trees to the rear, and a driveway to the right. PA DHS does not have a requirement for fencing. There is a small splash pad with no more than 3" of water that does not require a lifeguard. The well has not been tested and is not a requirement for facilities with less than 16 children. Monthly fire drills are conducted as are annual emergency disaster drills.

A motion was made by Robert F. Newton Jr. and seconded by Roni K. Clark to grant approval of the application subject to the following conditions:

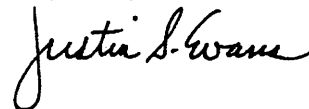

1. The Applicant shall apply for and obtain a use and occupancy permit for the expanded home day care use. Proof of licensure through the Pennsylvania Department of Human Services shall be provided with the permit application, as applicable.
2. The Applicant shall comply with all other provisions contained in the Zoning Ordinance for which relief has not been requested or granted.
3. The Applicant and any representative of the Applicant shall comply with and adhere to the testimony and any evidence presented to the Board at the hearing held on September 3, 2025, except to the extent modified by conditions imposed by the Board herein.

All members present voted in favor of the motion.

9) Next regularly scheduled meeting will be held October 1, 2025 beginning at 6:00 P.M.

10) A motion was made by Roni K. Clark and seconded by Robert F. Newton Jr. to adjourn the meeting at 7:54 P.M. All members present voted in favor of the motion.

Respectfully Submitted,

Justin S. Evans, AICP
Assistant Zoning Officer

EAWA WORK SESSION MEETING MINUTES
November 5, 2025 - 6:30 PM

CALL TO ORDER:

1. **CALL TO ORDER:** The EAWA Board meeting was called to order at 6:30 P.M. by Dale Treese, Chairman. Members present: Keith Murphy, Jeff McCloud, Rich Sheidy, Rick Erb, Rob Reale Jr and Chuck Brewer. Also present were: Austin Calaman, Authority Manager; Jason Bock, Operations Manager; Michael Krieger, Engineer; Jeffrey Shank, Solicitor; Michele Powl, Business Manager; and Jill Gebhart, Admin Assistant. Not present: Donna Bissinger, Admin Assistant. Members of the Public: Giuseppe Ferrarelli.

2. PUBLIC COMMENT:

3. REPORTS:

a. Manager's Report:

- i. **Request for relief from leaking service at Pizza Town – 50 Veterans Dr.**
We first reported a potential leak (4x normal usage for the quarter) last billing and the owner of the property worked with a leak detection agency and plumber to try and identify the leak on the property. Our staff ran several puck reports and worked with the property owner to identify the cause and eliminate the leak but not before a bill of \$4259.93 accumulated. The owner is asking for relief as the leak was an old water line that is underneath a concrete slab and no leak was visible. For context, this leak was more than 10X the normal usage for the quarter. The owner provided bills from his plumber and stated that Sheetz were the ones who coordinated the leak detection company as it was believed they may have hit his service line while doing soil borings.

Discussion ensued about EAWA efforts and findings on the leak issue. Multiple puck reports and inspection of curb to meter pit, and pit to building were done. Giuseppe explained his efforts and difficulty determining the source of leak, without visual evidence of water leak in building or on the ground. After much investigation, leak was determined to be from a T section installation after the meter pit that was causing the issue. Therefore, it was deemed responsibility of the property owner.

Action: "The Board votes to deny relief consistent with average previous usage from prior years billings."

Motion: R Erb

Second: R Sheidy

Approved

R Reale Jr Abstained from voting.

- ii. **EAWA Personnel Policy Manual Review – Resolution 2025-11:** Back in April/May, the Board decided to look at the Personnel Policy Manual to make some updates, revisions, etc. A small committee was formed which met on several occasions to review the entire manual while also sharing it with Mike Miller of Eckert Seamans who is EAWA's labor attorney. Included in September work session agenda was a copy of the DRAFT manual. No comments were received since the September work session meeting. We'll confirm with our labor attorney on any outstanding questions/comments, should there be any.

Action: "The Board approves the updated policy manual and resolution, as presented."

Motion: R Sheidy

Second: R Erb

Approved

- b. **Operations Manager's Report:** Bock presented report highlighting 3 broken hydrants replaced, membrane module replacement, new mixers are in reservoir, wells and creeks are still low. Cornwall was shut down to recharge quarry levels after pulling a month and a half from the quarry. Board remarks lead to discussion on water capacity for future developments, understanding development agreements and the distribution study to allocate capacity. Reale Jr asked about reimbursement for failed fire hydrant. We are waiting on results from testing if defective. EAWA expects insurance reimbursement for hydrants that were damaged by vehicles.
- c. **Engineer's Report:** Krieger stated that paving completed Poplar St water main project. Details for Wells 6 & 7 building type options were evaluated, summarized and recommendations given. Water Treatment rehabilitation project design is completed and ready to bid. Hydraulic model is close to finalizing. Submitted plan to DEP for water allocation permit renewal which is due by January 2026. Concerning the disinfection byproducts, GHD did a coagulation study and provided recommendations and may do a pilot study to see full effect of changing the coagulant. Submitted permits for mixer installation at West Ridge and Groff storage tanks.

Questions were raised about building recommendations for masonry vs pre-engineered metal or post-frame building. Aspects for adaptability, insulation, insurance, build time, and costs are considered.

Treese expressed that the water distribution study is crucial to many aspects of EAWA service and inquired as to how close to having it? Krieger said he should have it by end of next week. With prior scope not a rush and working on many concurrent projects, time for completion was not top priority. Treese expressed change of priority over 6-8 months.

4. UNFINISHED BUSINESS:

- a. **Ongoing discussion of the 2026 O+M Budget and 5-Year Capital Plan Budget** - Treese lead discussion on PENNVEST loans, capital plans, added projects, and changing priorities. Calaman shared discussions with rate consultant, and insights on budget options. Treese said it is important for customers to understand that the rate structure encompasses all things necessary to provide the best quality water, and the distribution system to get it to them.

5. NEW BUSINESS: None.

6. **BOARD MEMBER'S REMARKS:** Treese indicated Christmas luncheon date reserved for Wed. 12/17/25 11:30 am at Rockwell's. Consensus was to let employees go home rest of day after lunch. Sheidy asked about new water main work on Hummelstown St. Bock said Joao & Bradley doing the Phase 2 work currently from Beechwood to Mulberry. McCloud asked EAWA to stay on top of street repair and Joao & Bradley to restore things to finish the work. Brewer asked where he can find the measure of the work done during the year. Bock said our ArcGIS mapping software is updated as work is completed.

7. EXECUTIVE SESSION: Treese called for executive session after work session meeting.

8. ADJOURN: 8:38 PM

Action: "That the Board adjourns the regular meeting."

Motion: J McCloud **Second:** K Murphy **Approved**

Respectfully submitted,

A Calaman, Authority Manager

Approved at 12/08/2025 Meeting

**EAWA BOARD MEETING MINUTES
November 10, 2025 - 6:30 PM**

1. **CALL TO ORDER:** The EAWA Board meeting was called to order at 6:30 P.M. by Dale Treese, Chairman. Members present: Rich Sheidy, Rick Erb, Rob Reale Jr and Chuck Brewer. Also present were: Austin Calaman, Authority Manager; Jeffrey Shank, Solicitor; Michele Powl, Business Manager; and Jill Gebhart, Admin Assistant. Not present: Keith Murphy and Jeff McCloud, Board Members; Jason Bock, Operations Manager; Michael Krieger, Engineer; Donna Bissinger, Admin Assistant. Members of the Public: None

2. **PLEDGE OF ALLEGIANCE TO THE FLAG:**

3. **PUBLIC COMMENT:** None

4. **APPROVAL OF PREVIOUS MINUTES:**

Action: "That the Board approves the Work Session minutes of 10/1/2025 and Board Meeting Minutes of 10/13/2025, as presented."

Motion: R Reale Jr **Second:** C Brewer **Approved**

5. **REPORTS:**

a. **Manager's Report:**

i. **Presentation from Dawn Lund (UFS) on the findings of EAWA's Cost of Service Study.**

Dawn Lund (UFS) presented via Zoom a summary report for financial projection, cost of service, and rate design. Discussion on rate adjustment options factored in debt coverage ratio, minimum cash reserves, and optimal operating income; while mindful of customer impact.

Action: "The Board directs staff and UFS to proceed forward with a rate track of _____ for the next 5 years."

The Board gave direction to come back with a resolution and rate design based on the chart below.

Year	Revenue Increase
2026, 2027, 2028, 2029	7.5%
2030	6.0%
2031	5.0%
2032	4.0%

- ii. **Discussion on the type of building for Well 6/7:** Jason and I discussed it and we feel the pre-engineered metal building would fit our needs with the use of concrete block in areas that are needed for the chemical or electrical room. It's slightly less expensive compared to a block building but quicker to build.

Action: "The Board directs GHD to design well 6/7 with a pre-engineered metal building type."

Motion: R Reale Jr **Second:** R Erb **Approved**

- iii. **PENNVEST Payment Request Application #7:**

Action: "The Board approves submission of the Payment Request #7 to PENNVEST in the amount of \$190,563.68, which reimburses EAWA expenses for engineering, legal, and Phase 1 & 2 construction expenses for the Cast Iron Main Replacement Project."

Motion: R Reale Jr **Second:** C Brewer **Approved**

b. **Operations Manager's Report:** Was presented at work session meeting.

c. **Engineer's Report:** Was presented at work session meeting.

d. **Financial Reports:**

- i. Paid Bills Detail (*Operating Fund*) (10/24/25) distributed with package (\$108,321.83 for balance);
- ii. Paid Bills Detail (*Capital Fund*) (10/24/25) distributed with package (\$166,230.87 for balance);
- iii. Statement of *Operating* Revenues & Expenditures for period of October YTD, distributed with package. Balance: \$1,806,044.90, Expenditures: \$279,096.62 & Income: \$891,872.53;
- iv. Statement of *Capital* Revenues & Expenditures for period of October YTD, distributed with package. Balance: \$8,248,484.46, Expenditures: \$251,598.70 & Income: \$48,916.26.

Action: "That the Board accepts the October Statement of Revenues & Expenditures (Actual vs. Budget)."

Motion: R Sheidy **Second:** R Reale Jr **Approved**

6. UNFINISHED BUSINESS:

- a. **Discussion of DRAFT UPDATED 2026 Operations and Maintenance Budget**

Employee healthcare insurance will be 20% increase. Discussed development requests for "Will Serve" letters and who bears the cost to implement infrastructure and distribution for provide additional water service without impacting current customers served.

b. Discussion of DRAFT 2026-2030 DRAFT UPDATED Capital Improvement Plan

Sheidy asked to see year to date cost of hiring a Vac Truck to compare with purchasing cost of a Vac Truck. Calaman would like to also factor in cost of future Vac Truck work required for Lead & Copper verification.

7. NEW BUSINESS: None

8. BILLS PAYABLE: Refer to Unpaid Report;

Action: "That the Board pays bills listed on statement of Unpaid *Operating* Fund Bills Detail totaling \$46,317.27 (11/10/25), Unpaid *Capital* Fund Bills Detail totaling \$67,912.82 (11/10/25) and Unpaid *Developers Escrow* Fund Bills Detail totaling \$9,260.00 (11/10/25)."

ELIZABETHTOWN REGIONAL SEWER AUTHORITY

235 ERSA Drive, Elizabethtown, PA 17022

Phone: 717-367-5947 • www.ersapa.com • Fax: 717-367-4622

Elizabethtown Regional Sewer Authority Minutes October 14, 2025

The Elizabethtown Regional Sewer Authority (ERSA) met at 6:40 PM at the public meeting room located at 235 Ersa Drive, Elizabethtown, PA with the following members in attendance: Dave Sweigert, Ken Shaffer, Roger Snyder, Rick Erb, Keith Murphy (by phone), Nick Viscome. Also, present were ERSA Manager Steve Rettew, Engineer Abraham King, solicitor Jeff Shank and Bookkeeper Michele Range.

It was **motioned** by Snyder and seconded by Erb to approve the minutes of the September 9, 2025, meeting. Motion carried.

Public Attendance: Mark Hutchinson from Design Data Corporation.

General Business:

1. Mark Hutchinson gave an overview of the Network Infrastructure Upgrade Proposal. Mark discussed the need to upgrade from a desktop to a proper server for better security and reliability. The timeline for the server replacement is estimated from six to eight-week turnaround time. The estimated cost for the server replacement is \$15,500 and the network area cleanup is \$4,400. It was **motioned** by Snyder and seconded by Erb to approve Design Data Corporations proposal for a New Server. Motion carried.
2. King discussed the stormwater agreement for Turnpike Road, focusing on the proposed improvements and the need for a stormwater management agreement. It was **motioned** by Snyder and seconded by Shaffer to approve SWM Agreement for Turnpike Road. Motion carried.
3. Rettew and King discussed working to procure pump station equipment through COSTARS for the Turnpike Road project. The equipment package includes pumps, valves and controls. Equipment purchased directly will save time and money and ensure equipment is ready for the project in May 2026. Original pricing was \$216,00 but a 5% discount was negotiated, bringing the price down to \$209,000. It was **motioned** by Snyder and seconded by Shaffer to approve COSTAR proposal for Gorman Rupp pricing for Turnpike Road not to exceed \$216,195.00. Motion carried.
4. King discussed the financial security reduction request of \$33,605 from Catalyst for the Campus Rd Subdivision Phase 1A Shared Work. A CCTV inspection of the gravity main installation was submitted. The noted defects were generally considered minor in nature. Financial security remaining would still cover potential issues. Catalyst plans to set up a separate financial security for the maintenance guarantee of the gravity system. It was **motioned** by Snyder and seconded by Shaffer to approve Request #3 for Campus Rd Subdivision Phase 1A Shared Work. Motion carried.

5. King discussed RETTEWS rate study proposal. The goal is to conduct a thorough analysis of current rates, comparing rates with surrounding areas and determining appropriate rate adjustments based on increasing debt and ongoing projects. The intent is to have a draft ready for the December meeting. The rate study will cost \$14,400.00. It was **motioned** by Snyder and seconded by Erb to approve RETTEWS proposal for rate study. Motion carried.
6. Rettew introduced the 2025 audit proposal from White Rudy. The cost of this audit is \$14,000.00. It was **motioned** by Snyder and seconded by Erb to approve the White Rudy 2025 Audit proposal. Motion carried.
7. Rettew discussed the 2026 Draft Budget. The board plans to refine the budget further prior to the November meeting. Key points discussed this evening:
 - a. Rental Fees and projected units for next year.
 - b. Expenses, including a 3% cost of living raise for employees as well as an 11.4% increase in health benefits
 - c. Server replacement
 - d. Training/further education for employees
 - e. Engineering services budget increase due to upcoming projects.
 - f. Capital projects and the projected budget amount for 2026 being \$5,095,000.00
 - g. Grant funding and the potential impact on the budget.
8. King and Rettew discussed using Entech Engineering as an alternate engineer, replacing Becker Engineering. This is due to a potential conflict of interest with HRG, Elizabethtown Borough engineer, who bought out Becker Engineering. No formal agreement was previously in place with Becker, so the board is comfortable with the proposed change.
9. Rettew discussed the ongoing issues with the Schwanger Rd pump station regarding the motor adapter plate cracking again and the station is now down to one series of pumps. A new motor adapter plate has been ordered. A meeting will take place with Smith and Lovelace representatives to understand why the plate failed.
10. Rettew stated that the ERSA office will be closed the Friday after Christmas, December 26, 2025.
11. Rettew discussed a new restaurant's sewer connection requirement at 62 Hershey Road. The new barbecue establishment cooks the food off-site, so Rettew proposed the following grease management: install a 20-gallon plastic grease tank under the sink to prevent potential grease from entering the sewer system from washing of food containers. This will allow the Authority the ability to inspect and enforce grease management. The board agreed with this approach and Rettew will follow up with the business.

Reports:

Engineer:

King discussed several key projects and updates:

1. Turnpike Rd PS – received sewage planning approval, expecting WQM permit by end of November
2. Miller Rd PS – received permit close-out from West Donegal Township, post construction inspection approved by Conservation District, experienced a pump failure (pump 1) with a warranty claim submitted, contract to investigate pump failure
3. Cameron/Colebrook/Nolt PS improvements – preliminary design completed, WQM permit to be submitted this month, expected to go out to bid 1st quarter of 2026, facing potential zoning issues with Township
4. Grant applications – LSA grants applied for Hershey Rd, Interceptor Project, Schwanger Rd and Rehab projects

Treasurer:

Shaffer discussed the financial reports. Key points discussed:

1. Ordinary income was about \$22,872 compared to a projected loss of \$135,194.00.
2. There was an overstatement of interest income in the Fulton Crim account for \$50,000, which will be corrected in October
3. YTD the net ordinary income was projected at \$478,000 but with interest correction, it's closer to \$350,000.
4. Tapping fees were over budget, with about \$2,060,000 collected
5. Capital expenditures are below anticipated levels, with about \$1,170,000 less spent than expected

It was **motioned** by Snyder and seconded by Erb to approve the Treasurer's report. Motion carried.

It was **motioned** by Snyder and seconded by Erb to approve the bills payable in the amount of \$491,450.92. Motion carried.

It was **motioned** by Snyder and seconded by Erb to adjourn the general session at 7:57pm. Motion carried.

Executive session was held to discuss the outstanding claims with CDM and potential settlement.

**MINUTES OF THE MEETING
OF THE BOARD OF THE
MUNICIPAL EMERGENCY SERVICES AUTHORITY
OF LANCASTER COUNTY
October 22nd, 2025**

A public meeting of the Board of the MUNICIPAL EMERGENCY SERVICES AUTHORITY OF LANCASTER COUNTY (MESA) was held on Wednesday, October 22nd, 2025, at 6:00 PM in the Elizabethtown Borough Council Chambers, 600 South Hanover Street, Elizabethtown, Pennsylvania, 17022.

The meeting was called to order by Chairperson Debra Dupler.

Roll Call: Debra Dupler, Roger Snyder, Justin Risser, Jeffrey Hudson, Jeffrey McCloud and Kenton Sweigart were present. Dave Jones, Saxton & Stump, was also present. MESA staff present: Wade Amick, Marc Hershey, Becky Houser.

Ms. Dupler opened the meeting for public comment. None were heard.

The MESA 2024 Audit Report was Presented by Sean Carl, White Rudy & Company, LLC. The position ending December 31, 2024 was \$608,407. Also in 2024, the business transitioned from NWEMS to MESA, and the recommendation from White Rudy for the move to change accounting from the accrual basis to the modified cash basis. On a motion made by Mr. Snyder, seconded by Mr. McCloud, the Board unanimously approved to accept the 2024 Audit Report.

The Board unanimously approved items A thru E on the consent calendar on a motion by Mr. Snyder, seconded by Mr. Hudson. All members present voted in favor of the motion.

- a) Approval and ratification of the minutes of the September 24, 2025 meeting.
- b) Accept and ratify the financial reports for the period of September 2025, subject to audit.
- c) Approve and ratify the payment of all bills & payroll via Bill List 2025-10 in the amount of \$455,268.90.
- d) September Activity Report.
- e) Public Relations Report.

Authority Manager Wade Amick provided a verbal report to the Board. Mr. Amick noted the following items:

- 1) New Carbon Monoxide (CO₂) Detection Meters were installed on BLS bags across all ambulances and squads. Former meters were either missing or malfunctioning. CO₂ Meters improve early detection during incidents, by enhancing safety and response effectiveness.
- 2) Recruiting continues for both ALS and BLS positions.
- 3) Annual Employee Performance Evaluations for Staff, Captains and Managers are in progress. Results will be used for both merit-based increases and re-education.

- 4) The iSimulate REALITi Plus LP15 simulator is now in service, offering a realistic training tool for EMS education. This simulator replaces the LP15 cardiac monitor by displaying EKG strips, blood pressure and pulse oximetry readings. It also responds to treatments and can simulate lung sounds, coughing and vomiting. This system will enhance staff education with the ability to create challenging life like scenarios.
- 5) Updates to the MESA Policy, Procedure and Guideline manual are ongoing with the effective roll out date goal of January 2026.

The Board was provided copies of the Assistant Authority Manager report prepared by Marc Hershey. The report noted the following:

- 1) The FEMA Grant has been approved. Staff are in the process of ordering helmets, coats, gloves and other necessary PPE and safety equipment to be used when operating on scene of vehicle accidents. The total grant project is \$38,615 with \$35,105 funded by this grant.
- 2) New Insurance billing vendor DIGITECH was informed they have been selected as the new insurance billing vendor. The agreement has been finalized, and on-boarding has begun. Current billing vendor Cornerstone, was provided the required 90-day notice stating MESA will not be renewing the agreement set to expire December 31, 2025.
- 3) The Ambulance order and a \$35,000 down payment was submitted to FESCO. An ambulance change order was presented with some additional and modified items considered post contract. On a motion made by Mr. Snyder, seconded by Mr. McCloud, the Board unanimously approved the change order items.
- 4) All Board members responded in agreement by email to landscaping updates and the installation of a flag pole. Sinking concrete areas of the front sidewalk were repaired and exterior pressure washing is scheduled.
- 5) Notification to the Board of stated terms of service: West Donegal, Roger Snyder expires 1/1/2026; Elizabethtown, Jeff McCloud expires 1/1/2027; Marietta, Jeff Hudson expires 1/1/2028; Conoy, Justin Risser expires 1/1/2029; Mt Joy Twp, Deb Dupler expires 1/1/2029; and East Donegal, Kent Sweigart expires 1/1/2030.

Old Business

2025 Parcel Billing: The 2025 parcel billing and collection process has been going well. The total received is \$1,492,272; which is about 93% of the Diversified Parcel billings for 2025. As a comparison, MESA collected \$1,477,493 by October 31st, 2024. Including Masonic Village, \$1,741,157 has been collected, vs. the budget amount of \$1,741,165 which is about 99.999% and coming in on budget. Of the outstanding balance, 42% is for 2024 bills, and 58% is for 2025 bills. Featherton accounts for 20% of the overall outstanding balance. The second "final" mailing was sent the week of September 8th. Parcels with balances in excess of \$500 will be recommended a property lien and reviewed in November.

2025 FTE Billing: Businesses with more than 3 employees and \$150,000 or more in payroll, were mailed a self-reporting letter and form on April 8th, with an original due date of June 15, 2025.

Reminders were sent in July. To date, \$89,435 has been collected, which is about (96%), while \$93,000 was budgeted for 2025.

On a motion made by Mr. Snyder, seconded by Mr. Sweigart, the Board unanimously approved to advertise the 2026 Draft Budget for public inspection, and adopt the final budget and fee at the November meeting. The Third Draft of the 2026 Budget was presented with a fee increase recommendation of \$2.00 or 2.4% per SDU. This is slightly below the current CPI-U index of 2.65%. Other classifications (except business FTE) would also increase by 2.4%.

New Business:

On a motion made by Mr. Snyder, seconded by Mr. Risser, the Board unanimously approved to open a separate checking account with Ephrata National Bank. This account will hold all monies collected from insurance revenue in one account. Ephrata National Bank does not offer the Lock Box.

On a motion made by Mr. Snyder, seconded by Mr. McCloud, the Board unanimously approved to sign the Engagement letter with White Rudy Company, LLC to conduct the 2025 Audit.

On a motion made by Mr. Snyder, seconded by Mr. Hudson, the Board unanimously approved move forward with the Land Development proposal of \$36,700 from Harbor Engineering on the Station building project.

On a motion made by Mr. Snyder, seconded by Mr. Sweigart, the Board unanimously agreed to cancel the Wednesday, November 12th Board meeting.

Deb Dupler suggested MESA promote the organization better on social media by providing current pictures of staff, along with MESA's involvement and offerings in community events.

Dave Jones suggested the consideration of MESA's growth, a future plan and the consideration of inviting other municipalities to join the authority.

After the meeting was adjourned, an executive session was held to discuss a legal matter.

The Board is scheduled to meet on Wednesday, November 19, 2025 beginning at 6:00PM.

A motion was made by Mr. Snyder, seconded by Mr. McCloud to adjourn the meeting at 7:24 PM. All members present voted in favor of the motion.

Respectfully Submitted,

Becky Houser
Recording Secretary

1. CALL TO ORDER

Chair Kroesen called the meeting to order at 7 pm.

2. PUBLIC COMMENT

No public comment.

3. Board Minutes

Mr. Kaylor moved to approve the September 16, 2025 Board Minutes. Mr. Hynicker was second.
Motion unanimously passed.

4. FINANCIAL REPORT

Mr. Wendel addressed the September Financial Report including updates on our current balances. Mr. Wendel noted that our revenues were 3.4% higher than from the same time last year. Additionally, he shared that as requested by the board at the beginning of the year, the number of open accounts has decreased through a combination of consolidation and eliminating unnecessary accounts. He reported that our Truist and ENB accounts have a total balance of \$1,288,202 as of 10/16/2025.

Ms. Norris moved to approve the September 2025 Financial Report. Ms. Good was second. Motion unanimously passed.

Mr. Wendel reported that our approved 2026 Operating Budget and Maintenance Budget was submitted to our municipal partners for review and approval consideration.

Mr. Wendel reported that our 2024 Financial Review was completed, and introduced our accountant, Shawn Carl from White, Rudy LLC to present it.

Mr. Carl provided an overview of our 2024 Financial Review which included the balance sheet, income statement and expense statement. He indicated that our depreciation will grow with the second floor improvements. Our total assets were \$1,779,462. Our program services represented 84% of our overall expenses totaling \$1,687,716. GEARS generated \$2,136,058 in revenue which lead to a favorable variance of \$111,478 as the budgeted revenue for 2024 was \$2,024,580. This was primarily due to the grant GEARS received to replace the gym floor which totaled \$100,000. Conversely, expenses for 2024 were budgeted at \$2,024,580. However, actual expenses were \$1,943,276 which lead to a favorable variance of \$81,304. There were no adverse items noted in the report. Overall, 2024 proved to be a good year for GEARS.

Mr. Musser moved to approve the 2024 Financial Review. Mr. Kaylor was second. Motion unanimously passed.

6. EXECUTIVE DIRECTOR REPORT

- **Second Floor Improvements:** Mr. Wendel reported that he sent an email on 9/30/2025 to each member of the EACSA to provide an update on the renovations which included our project start date of early January 2026. In the update, it was requested that each member confirm their commitment of \$75,000 for the project and how they want to be billed when these funds are requested in January. Mt. Joy Township, West Donegal Township and Conoy Township responded and confirmed their financial commitment to the project. Mr. Wendel also reported that he attended a public budget meeting at East Donegal Township this morning (10/21/2025) to request funding for our building project. This year, we received \$7,500.
- **Holiday Schedule:** Mr. Wendel presented the 2026 Holiday Schedule for the board to review for approval consideration.

Mr. Kaylor moved to approve the 2026 Holiday Schedule. Mr. Hynicker was second. Motion unanimously passed.

- **Recreation:** Mr. Wendel provided program highlights and fall enrollment figures for fitness classes (284 enrolled), tennis (86 enrolled), travel basketball (51 enrolled), bus trips (113 registered) and the Father & Son Laserdome (37 enrolled). Additionally, several testimonials were shared from customers related to their high level of satisfaction towards our programs.

- **Kids Center:** Mr. Wendel reported that enrollment for the 2025-2026 school year currently stands at 152. Upcoming events include our Halloween Parade on 10/24/2025 and our Thanksgiving Luncheon on 11/24/2025. Board members were encouraged to attend and/or volunteer.
- **Senior Center:** Mr. Wendel reported that there were 21 service days during the month of September. We averaged 42 seniors a day with a total of 138 different seniors served during the month. Our lunch program served 29 seniors daily and we attracted 4 new seniors during the month. Our Center without Walls Program served 29 seniors. The Garden Club attracted 24 participants while 110 seniors attended our 40th Anniversary Celebration of our senior center. The October activities calendar and lunch menu was shared with the board.

Mr. Wendel reported that the State budget impasse will impact County reimbursements for our senior center. He attended two County meetings, one virtually and one in person on 10/21/2025. The County administrator and commissioners reported that the County can no longer fully fund partner providers after 11/1/2025. Our October invoice will only be funded at 60%. The County fully funded partner providers for the first quarter of their fiscal year but can no longer absorb the financial burden. The County stated that partner providers should still invoice the County and that they will be fully reimbursed once the State approves a budget. GEARS will incur a monthly shortfall of about \$8,000 until a State budget is passed and County reimbursements takes place. The impact on GEARS and our senior center will not be fully noticed until December when we will likely not receive reimbursement for November. The length of the budget impasse will determine its impact on our senior center operations. If the impasse continues into February or later, we will need to address its impact on GEARS as organization.

Mr. Musser asked if the federal shutdown is or will affect GEARS.

Mr. Wendel indicated that we do not anticipate any impact at this time. We were told that our State grants for the renovations totaling \$500,000 are secure and will not be impacted.

7. BOARD COMMENTS

Mr. Kroesen informed the board that GEARS was recognized as the Non-Profit of the Year at the Elizabethtown Area Chamber of Commerce's annual event and accepted the award on behalf of GEARS. He presented the award to Mr. Wendel and thanked him for his work.

Ms. Good shared that she had a very good feeling of positivity at the senior center 40th anniversary celebration event and stated that the staff are doing a great job.

Mr. Musser commented that he attended our Fall Fest for the first time and commended our staff for a super event.

Ms. Norris stated that she would be happy to help with the ExtraGive by preparing a video or assisting in some other way.

Mr. Kaylor thanked Mr. Wendel and his team for supporting the community event at East Donegal Township.

8. EXECUTIVE SESSION

None requested.

9. NEXT MEETING

The GEARS Board will meet on Tuesday, November 18 at 7 pm at the GEARS Community Center.

10. ADJOURNMENT

Chair Kroesen adjourned the meeting at 7:54 pm

Respectfully submitted,

David A. Wendel
